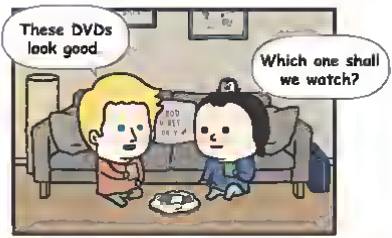
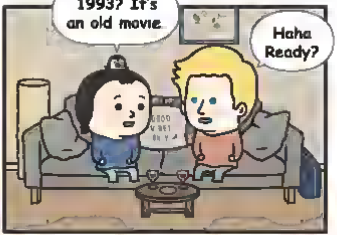
Penguin Loves Mev In the UK

Mev's Tears: Part 2



One day, we got many DVDs from Gail.

We decided ta watch a movie called 'Rudy'.



Somehow, I tend to dislike 90's movies, so I had quite low expectations to begin with.

The movie's story was this.

The main character, Rudy is not an academic man. His family is a working class who work in a steelworks. On top of that, Rudy is very small and a short guy.

You can't do it

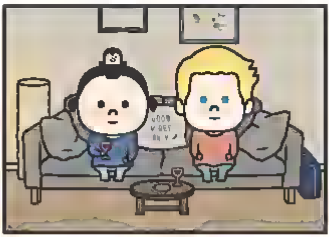
Be realistic!

That will never happen.

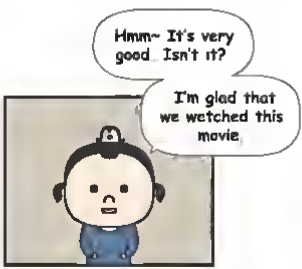
Everybody says he can't do it but he has a great dream to be a football player in Notre Dame college.

I'm going to be a football player!

And this movie is about his challenge and his effort to achieve his dream.

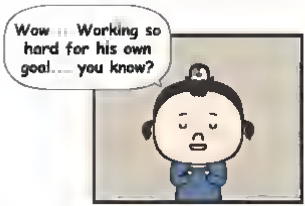


This movie was based on a real story.
And it made me think about many things.

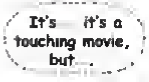


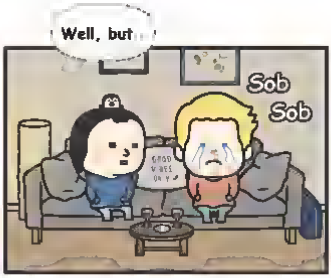
I thought it was a much better movie than I expected.

When the movie was in its climax.



Mev's tears were pouring down his face like a broken tap.





I was puzzled by his tears and apparently Mev was even more puzzled than I was.

What's wrong with me?

I thought Mev was a man who never crys because of movies

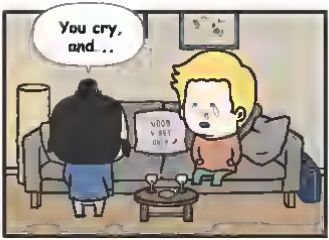
That day, I saw him pumping up all of tears from his warm heart.

That made me think this

I thought I knew everything about that man

Maybe there are still many things that I don't know yet

And...



This kind of discovery will continue for 10 years or 20 years.
